Independent Interfraternity Council

Undergraduate Scholarship Guide

University of Nevada, Reno

Alpha Tau Omega
Pi Kappa Phi
Kappa Alpha Order
Lambda Chi Alpha
Zeta Psi
Theta Chi

All links in this guide lead to the fraternity's national organization, national foundation, or official national application platform.

Application dates and availability change each cycle. Always confirm the current deadline on the linked national page before applying.

Alpha Tau Omega

Alpha Tau Omega Foundation national and specialized scholarships.

CURRENT STATUS	**The 2026 national deadline was April 1, 2026. The official page states the application normally becomes available January 1.**

Official links

- National scholarship resource page
- Apply or access the application portal
- General national eligibility: initiated ATO member in good standing with at least a 3.5 cumulative GPA.

Undergraduate opportunities

Opportunity	Award	Core eligibility / purpose	Where to apply
National Undergraduate Scholarships	Varies	Initiated member in good standing; minimum 3.5 GPA. Selection: 40% academics, 30% ATO leadership and 30% campus/community leadership.	Official page
Brigadier General John F. Kinney Scholarship	Varies	ATO member in National Guard, reserves, ROTC or similar military program who intends to serve on active duty.	Official page
William D. Krahling Excellence in Journalism Scholarship	Varies	Journalism or related major; one undergraduate year completed and at least one undergraduate year remaining.	Official page
Distinct Advantage Scholarship	4 × $500 national awards	Any full-time male student at a college/university with an ATO chapter or expansion; ATO membership is not required.	Official page
Chapter and Institution-Specific Foundation Funds	Varies	Eligibility depends on the named chapter, institution, endowment or educational purpose. Some are scholarships; others support leadership programs.	Official page

How to use this page

Use the “National Scholarships” portion of the official Foundation page for the current centralized cycle. The same page also contains many chapter-restricted funds. Several local listings retain old dates, so applicants should verify availability with the ATO Foundation or their chapter before relying on a chapter-specific entry.

Pi Kappa Phi

Pi Kappa Phi Foundation scholarships and direct student aid.

CURRENT STATUS	Spring 2026 applications closed March 15, 2026. Monitor the national scholarship page for fall and next-cycle openings.

Official links

- National scholarship resource page
- Apply or access the application portal
- Foundation scholarship questions: (980) 318-5367 or use the national Contact Us page.

Undergraduate opportunities

Opportunity	Award	Core eligibility / purpose	Where to apply
Pi Kapp Scholars Award	7 × $1,000	Initiated full-time juniors or seniors; minimum 3.3 cumulative GPA.	Official page
David D. Morgan Extra Mile National Scholars Program	$500–$1,000	Initiated full-time undergraduates; minimum 2.75 GPA; academics, work, chapter and community involvement.	Official page
Durward W. Owen International Scholars Awards	Up to $4,000	Undergraduate members completing an eligible international study-abroad experience; spring and fall cycles.	Official page
Outstanding Associate Chapter Member Award	Up to 4 × $500	Full-time members of associate chapters; minimum 3.0 GPA; chapter must remain unchartered through closing date.	Official page
Otis R. McCollum Memorial Scholarship	$2,000	Initiated full-time member at a chartered North Carolina chapter; minimum 3.0 GPA.	Official page
Craig A. Winkelmann Health Professions Scholarship	$500	Senior accepted into, or first-year student in, an accredited health-professions program; minimum 3.0 GPA.	Official page
Dr. William Sandford Durrell Chemistry Scholarship	$800	Rising junior, senior or graduate chemistry student; minimum 3.0 GPA and recommendation.	Official page
Cornelius First-Generation Scholarship	Varies	Initiated first-generation college student; minimum 3.0 GPA, essay and recommendation.	Official page
Mark O. and Cindy M. Bundy Scholarship	Varies	Initiated first-generation college student; minimum 3.0 GPA, essay and recommendation.	Official page

How to use this page

Begin at the national scholarship directory. It contains the current cycle notice, every national scholarship page, and a separate list of chapter-specific funds administered by the Pi Kappa Phi Foundation. Applicants should prepare an unofficial transcript, activity history, essays and recommendations as required by the individual award.

Kappa Alpha Order

Kappa Alpha Order Educational Foundation (KAOEF) scholarship grants.

CURRENT STATUS	Fall 2026 applications closed January 30, 2026. The national page is the authoritative location for the next application cycle.

Official links

- National scholarship resource page
- Apply or access the application portal
- Questions are directed on the national page to the listed scholarship contact or Kappa Alpha Order headquarters at (540) 463-1865.

Undergraduate opportunities

Opportunity	Award	Core eligibility / purpose	Where to apply
KAOEF Fall Scholarship Grant	Varies by endowed fund	KA brothers considered through one centralized application; recipient must remain enrolled during the fall award semester.	Official page
Foundation-Managed Named and Restricted Funds	Varies	The centralized application matches eligible undergraduate and graduate applicants with applicable general, memorial and chapter-designated funds.	Official page

Required application materials

- Two letters of recommendation
- A personal photograph
- Official transcript from the registrar
- Confirmation of enrollment during the fall award semester

How to use this page

KAOEF uses one national application rather than separate public applications for every endowed scholarship. Applicants should use the official KAOEF Scholarships page, download or open the current application when posted, and follow its materials checklist exactly.

NATIONAL UNDERGRADUATE SCHOLARSHIP DIRECTORY

Lambda Chi Alpha

Lambda Chi Foundation scholarships, fellowships and educational assistance.

CURRENT STATUS	The national portal is active. The general spring 2026 academic cycle closed March 2, 2026; specialized and chapter-specific program dates vary.

Official links

- National scholarship resource page
- Apply or access the application portal
- Questions and local scholarship listings: foundation@lambdachi.org or the chapter High Sigma–Educational Chairman.

Undergraduate opportunities

Opportunity	Award	Core eligibility / purpose	Where to apply
James Chirurg Scholarship	Not publicly listed	Academic scholarship available through the common Lambda Chi Foundation application.	Application portal
James R. Favor Scholarship	Not publicly listed	Academic scholarship available through the common Lambda Chi Foundation application.	Application portal
Jeffrey Steele Scholarship	Not publicly listed	Academic scholarship available through the common Lambda Chi Foundation application.	Application portal
Nicholas A. Damiano Conference Accessibility Scholarship	Educational conference costs	Current undergraduate members with financial need seeking support for Lambda Chi leadership conferences.	Official page
William T. Farkas Fellowship	Paid fellowship stipend	Summer co-op or internship positions at the Office of Administration; applications considered in spring.	Official page
Kris Reddy Global Education Scholarship	Expected $1,000–$4,000	Current undergraduate members in good standing; minimum 3.0 GPA, demonstrated financial need and an eligible international study-abroad experience.	Official page
Foundation-Managed Chapter Scholarships	Varies	Restricted to listed chapters or regions. Applicants use the same national Foundation application.	Official page

How to use this page

Complete the national online application to be considered for all available scholarships managed by the Foundation. The official resource page also lists every participating chapter and region. If a school is not listed, the Foundation instructs members to contact their High Sigma–Educational Chairman about locally administered awards.

NATIONAL UNDERGRADUATE SCHOLARSHIP DIRECTORY

Zeta Psi

Zeta Psi Educational Foundation and Zeta Psi Foundation of Canada scholarships.

CURRENT STATUS	U.S. fall 2026 application is expected to open in September 2026; Canadian fall 2026 competition is expected in late summer 2026.

Official links

- National scholarship resource page
- Apply or access the application portal
- Zeta Psi International Headquarters: (845) 735-1847. Applications appear in the Scholarship menu when a cycle opens.

Undergraduate opportunities

Opportunity	Award	Core eligibility / purpose	Where to apply
U.S. Competitive Scholarship Program	Varies	University students enrolled in the United States. Requires the web form, application documentation and most recent transcript.	Official page
Canadian Competitive Scholarship Program	Varies	University students enrolled in Canada. Application and transcript requirements are posted for each cycle.	Official page
Little Brother Convention Scholarship	Convention assistance	Undergraduate Zeta Psi members seeking financial support to attend the annual International Convention.	Official page

How to use this page

Start on the official Scholarships page and select the application matching the student's country. Zeta Psi requires a complete web form plus all attached documentation and transcripts. The convention scholarship uses a separate national form and normally opens in late winter for that year's convention.

NATIONAL UNDERGRADUATE SCHOLARSHIP DIRECTORY

Theta Chi

Foundation Chapter scholarships for undergraduate and graduate brothers.

CURRENT STATUS **The 2026–2027 application closed March 29, 2026. Monitor the national page for the next cycle.**

Official links

- National scholarship resource page
- Apply or access the application portal
- Foundation Chapter questions: scholarships@thetachi.org or (317) 848-1856.

Undergraduate opportunities

Opportunity	Award	Core eligibility / purpose	Where to apply
Sherwood and Janet Roberts Blue Memorial Scholarship	Not publicly listed	Theta Chi brothers pursuing undergraduate or graduate degrees; emphasizes scholastic aptitude and financial need.	Official page

Opportunity	Award	Core eligibility / purpose	Where to apply
Victor Simon Memorial Scholarship	Not publicly listed	Theta Chi brothers pursuing undergraduate or postgraduate engineering degrees.	Official page

How to use this page

Use “Apply Today” on the national Theta Chi scholarship page to reach the official application platform when a cycle is open. The Foundation evaluates academic performance, fraternity/school/community service, leadership, financial need and personal and career goals.
